President's Message

Curtis Ray, Jr., CPD, FASPE

October, time sure does fly. We just got back from the 2025 ASPE Tech Symposium, in Orlando, what a great time. It was great to see local chapter members there:

Marcy Bartges
Gisun Sung
Matthew Walker
Scott Whitney
Tim Collins
Donavan Roberts
Shawn Jeffrey
Rob Shorey (Region 3 Director)

At the awards luncheon on Saturday, many ASPE members were recognized for their service to ASPE by receiving the ASPE Award of Excellence challenge coin. Among them were our very own Marcy Bartges & Tim Collins, well deserved.

If you weren't at the September's dinner meeting you missed the raffle. This year we will be doing a raffle for all engineers and designers who stop by and talk to the table top sponsor. So make sure you take time to talk to the table top sponsor and get your raffle ticket for a gift card. So come early and get a ticket.

See you at the next meeting.

A handwritten signature in black ink, appearing to read 'Curtis Ray'.

Curtis Ray, CPD, FASPE

V.P. Technical

Todd Rebhahn, CPD

OCTOBER'S TECHNICAL MEETING

Tuesday, October 14, 2025

**Location: Sheraton Tampa Brandon Hotel
10221 Princess Palm Avenue, Tampa, FL 33610**

THERMAL EXPANSION & DESIGN CONSIDERATIONS FOR DOMESTIC WATER HEATING AND HYDRONIC APPLICATIONS

Sheraton Tampa Brandon Hotel
10221 Princess Palm Ave, Tampa, FL 33610

4:30-5:30pm Happy Hour & Tabletop Presentation
5:30-6:00pm Business Meeting
6:00-6:30 Dinner
6:30-7:30pm Technical Presentation

Register on our website:

<https://wcf-aspe.com/meetinginfo.php>

\$35.00 Pre-registration (on or before noon on Friday before our Tuesday technical session)

\$45.00 Late registration (after noon on the Friday before our Tuesday technical session or at the door)

Presenter: Brent Taylor, Sr., ASME Sales Engineer for Worthington Enterprises, Amtrol

Brent has a deep-rooted background in the plumbing industry growing up around the manufacturers representative side of the business, where he worked from 2018-2025 prior to joining the Amtrol team. During his time in the rep business, a core focus was introducing sustainable products to the engineering community while working with leading manufacturers in North America. Brent has extensive experience with sizing and selection of both water heaters and hydronic boilers, including proper selection of trim components. As such, he has personally experienced the issues caused by improper design, installation, and/or selection of ASME and non-ASME vessels, along with challenges the industry experiences by improper code enforcement. Brent has been actively engaged in both ASPE and ASHRE in his home state of Arkansas and enjoying getting to know the many chapters across his territory.

Description:

- Understand principles of thermal expansion
- Requirements for proper sizing for hydronic and domestic hot water systems
- Understand types of expansion tanks for proper selection in project design
- Understanding where ASME vessels are required
- Proper scheduling and common mistakes made on project design

Join ASPE! Benefits Include...

- [Plumbing Engineering & Design Handbook of Tables App](#)
- [20% off First-time ICC memberships](#) (sign-in required)
- ASPE *Plumbing Engineering Design Handbooks*
- ASPE *Connect online community*
- Biweekly ASPE [Pipeline](#) e-newsletter
- Members-only ASPE.org access (includes access to ASPE *PEDH* chapters)
- Publication and education program discounts
- ASPE Biennial [Convention and Engineered Plumbing Exposition](#) (even years)
- ASPE Biennial [Technical Symposium](#) (odd years)
- ASPE [Emerging Technology Symposium](#)
- Technical seminars and [workshops](#) (sign-in required)
- Access to earn [continuing education units](#) (CEUs)
- Technical [books and manuals](#) specific to the profession of plumbing engineering
- Professional certification / recertification
- Continuing education opportunities
- Alfred Steele [Scholarship Program](#)
- Local chapter affiliation
- Monthly chapter meetings and technical seminar opportunities
- Networking opportunities with plumbing engineers worldwide
- Leadership opportunities (national and chapter boards of directors and committees)

More Reasons to Belong to ASPE...

- Professional isolation leads to stagnation
- Build a better résumé
- Be a leader
- Be a mentor
- Enhance your network and make new friends
- Take your profession and career seriously
- Broaden your knowledge
- Give back to your profession and the community
- Stay current with changing standards and technologies

We again appreciate all our West Coast Florida ASPE members for this new ASPE year. We will continue the new year strong and moving forward through the end of the 2026 West Coast ASPE year. At the end of September we anticipate having 82 active members.

The birthdays for October are as follows:

Scott Allred	10/04
Stephen Odrzywolski	10/05
Reynaldo Miller, CPD,	10/13
Carlos Rivera	10/18
Corderro King	10/29
Andre Parra	10/30

The anniversaries for October are as follows:

Brian Carrier	21 Years
Scott Whitney, CPD	11 Years
Royce Gunter	1 Year
Kurt Heinemann, P.E.	2 Years
Robert Frey, P.E.	1 Year
Jonathan Fisher	1 Year
Shawn Jeffrey LEED AP	5 Years

October 2025 Newsletter Education Announcements

For those of you that missed last month's edition and/or dinner meeting...welcome back returning ASPE WCF members and greetings to new ASPE WCF members for the 2025-2026 Season. Lots of things to get us started for this season!

ASPE's September Book of the Month is *Domestic Water Heating Design Manual* (eBook)

- Through October 31, 2025, you can purchase this eBook for **35% off** the regular member price. Just enter coupon code **trickortreat** when you check out. The discount is valid on the digital edition of this publication and the coupon code can only be used once. If you are purchasing multiple items the discount will be applied only to the assigned publication.

- 1) 2025 ASPE Tech Symposium: Wrap-up
 - a) If you attended the Symposium over the weekend (September 25-28), I hope you all got as much out of it as I did! I was able to learn a lot through the classes during that time. What was your favorite course!? It was also a great time to network and meet others in our industry. I am certainly looking forward to the next one as I hope you all are as well.
 - b) Do not forget that if you attended you have until October 20 to complete your quizzes to obtain your CEU's. (Do not forget to do the course evaluation to obtain your certificates!)
 - c) You are only allowed to review the course material if you attended the event.
- 2) 2025 CPDT Exam
 - a) **October 13-24**
 - b) **REGISTRATION ENDS OCTOBER 5!**
 - c) Must fill out eligibility form to receive a link to register for exam.
 - d) Remote Proctored Exam.
 - e) 3.5 hours, 100-question multiple-choice answer.
 - f) ASPE Members \$225; Non-members \$450
- 3) 3-minute read 3-minute read on new memorandum:
ASPE Signs Renewed MoU with IAPMO, ASSE International, and ARCSA International - ASPE Pipeline
- 4) Updated ASPE Design Standard for Siphonic Roof Drainage Systems is now available!
 - a) ASPE/ANSI 45-2025: Siphonic Roof Drainage
 - b) May be purchased from the ASPE Bookstore for Member's \$30; Non-member's \$80.
- 5) **AYP Region 3 - Water Pressure Booster Systems & Sump/Sewage Pumping Systems: Practical Applications and Engineering Insights**
 - a) **Live Webinar - October 08 at 12 PM**
 - b) This session will explore the real-world design and operation of water pressure booster systems and sump/sewage ejector systems. Attendees will gain practical insights into system selection, performance considerations, and engineering best practices for reliable installation and long-term operation.
 - c) 0.1 CEU
 - d) Free for ASPE members!

V.P. Education

Matthew Walker, P.E.

- 6) **AYP Region 3 - Success with Press HVAC Press Fittings**
 - a) **Live Webinar - October 15 at 2 PM**
 - b) Learn about the unique design of HVAC press fittings, including seals, profiles, tools, and compliance requirements. The course also covers installation best practices, testing and validation processes, and engineering resources like CAD, BIM, and MasterSpec. It concludes with actionable takeaways to help engineers and contractors confidently apply press solutions in the field.
 - c) 0.1 CEU
 - d) Free for ASPE members!
- 7) **AYP Region 1 - Packaged Circulating Systems & Fuel Oil Transfer Systems: Design Considerations and Field-Proven Best Practices**
 - a) **Live Webinar – October 22 at 12 PM**
 - b) This webinar will cover the key design elements and lessons learned from packaged circulating systems and fuel oil transfer systems. Participants will learn design considerations, how to address common challenges, and apply field-proven strategies to ensure limit complications and unsure functionality and reliability in critical applications.
 - c) 0.1 CEU
 - d) Free for ASPE members!
- 8) **AYP Region 4 - Packaged Pumping Systems: Design Tips, Common Pitfalls, and Specification Guidance**
 - a) **Live Webinar – October 29 at 2 PM**
 - b) This session will provide engineers and contractors with actionable guidance on designing and specifying packaged pumping systems. The discussion will highlight common mistakes to avoid, practical tips for improving system design, and clear strategies to packaged system specification.
 - c) 0.1 CEU
 - d) Free for ASPE members!
- 9) **MedGas Workshop**
 - a) November 13-16, 8-5 PM each day.
 - b) Live, in-person event at ASPE HQ in Rosemont (Chicago), IL.
 - 32-hour workshop is based on the parameters outlined in ASSE 6060: Medical Gas Systems Designer, a new professional qualification standard that sets forth the training requirements for designers who wish to earn the ASSE 6060 personnel certification. 1.2 CEU upon completion.
 - c) ASPE Members \$2,000; Non-members \$2,350
- 10) **MedGas Basics**
 - a) ASPE Education website, On-demand
 - Following the success of the in-person and online MedGas Workshop and continuing to fulfill the commitment to training the next generation of medical gas system designers, ASPE is pleased to announce the new MedGas Basics course. The course contains four (4) instructional videos that you can review at your leisure, and each offer 0.1 CEU upon completion.
 - b) Bundle Price for ASPE Members \$150 or each individual class \$50 (save \$50 when you bundle!)

V.P. Education

Matthew Walker, P.E.

- 11) As always you can find more ASPE educational information at <https://education.aspe.org/>
- a) Read, Learn, Earn
 - October 2025 is Plumbing Fixtures (0.1 CEU)
 - September 2025 was *Hangers and Supports* (0.1 CEU)
 - b) On-demand list is continuously updated with many options to choose!
- 12) 2026 CPD Exam
- a) Dates will be announced in December; anticipated for April 2026.
 - b) Must fill out eligibility form to receive a link to register for exam.
 - c) Remote Proctored Exam
 - d) 3.5 hours, 100-question multiple-choice answer
 - e) APSE Members \$450; Non-members \$675
- 13) GPD Program (Exam)
- a) On-Demand course completion followed by examination; however, must be completed within 6 months of start date.
 - b) Open-note, 2 hours, 50-question multiple-choice answer.
 - c) 75% is passing score.
 - d) 1.2 CEU credits.
 - e) ASPE Members \$500; Non-members \$600
 - f) Note: Professional Engineers (PE) are eligible to take the GPD Program without having to take the CPD Exam as a prerequisite.

Please reach out to me for any additional questions regarding ASPE Education.

Regards,

Matthew Walker, PE

COMBINING KNOWLEDGE, EXCELLENCE, INTEGRITY, & EXPERIENCE

Our mission is to develop cost-effective solutions that align with our Clients' unique business objectives. This is accomplished by investigating reasonable options to achieve the "Best Fit". We organize ourselves around our Clients' goals to become contributors to their success.

Our philosophy at Phoenix Engineering Group is to provide our Clients with professional engineering services that are affordable, innovative and appropriate. Our goal is client satisfaction achieved by ensuring that we understand the Clients' needs, wants, and concerns while providing work that is accurate, completed on schedule and within budget

Phoenix Engineering Group provides client-focused, value-oriented services, prepared with a practical appreciation of regulations, codes and modern practices. Phoenix Engineering Group's service offerings include:

- Feasibility Studies
- FDA, ISO, EU, USP and Building Code Compliance Reviews
- Basis of Design and Master Planning
- Mechanical, Electrical, Plumbing, Fire Protection and Process Engineering
- Construction and Permit Documentation
- Constructability Reviews
- Scheduling
- Construction Administration

ASPE Membership Value

When you join ASPE, you become part of a worldwide family of plumbing engineering and design professionals and gain immediate access to their combined technical knowledge and industry support. ASPE members are leaders in the plumbing engineering industry, and joining their ranks offers invaluable networking and career-advancement opportunities. Our members benefit from ASPE's international exposure, and our involvement in national and local legislative initiatives helps strongly convey the important role of plumbing engineers and designers in the construction industry.

In addition to sharing professional knowledge, ASPE members also like to have fun. Local ASPE Chapters and special-interest groups such as ASPE Young Professionals and Women of ASPE host social networking events throughout the year. With more than 6,300 ASPE members, a fellow professional is never far away.
