President's Message

Curtis Ray, Jr., CPD, FASPE

Ok, who stole summer, It was June a little while ago. Hope everyone had a great summer, and yawl all are heathy.

Our dinner meetings for 2025/2026 start next week, looking forward to seeing you there.

September 24 th thru 28 th is 2025 ASPE Tech Symposium, in Orlando, FL. The features technical education sessions designed for plumbing industry professionals at all career levels. Each 90-minute session offers 0.15 CEUs, giving you an opportunity to earn up to 1.2 CEUs that can be used for your license and certification continuing education. Below is a link to Technical Education Programs:

https://aspe.org/2025-aspe-tech-symposium/education-program/?_zs=kDwia&_zl=plHd4

To kick off the 2025 ASPE Tech Symposium, there will be a Product Show on Thursday September 25 th from 4 – 8. The ASPE Tech Symposium Product Show is a unique chance for you to get one-on-one face time with the industry's top manufacturers, providing an excellent opportunity to get your product questions answered by the experts. There will be 48 booths (ASPE Sponsors) will be exhibiting, so please join us to learn about their latest innovations.

For me this will be my 17 th Tech Symposium.

See you at the next meeting.

Join Us in Orlando!

The 2025 ASPE Tech Symposium is a 2.5-day conference being held at the Rosen Centre Hotel in Orlando, Florida. This is a premier opportunity for plumbing engineers and designers at all career levels to engage in productive technical exchanges and networking.

At the ASPE Tech Symposium, you can choose from a variety of professional development sessions in several tracks to customize your learning experience. The sessions are designed to teach you how to integrate the most current design techniques into your projects, with hands-on calculation and application examples.

To further immerse you in the latest engineering innovations, a Product Show will be running from Thursday afternoon to Friday morning. The industry's top manufacturers will be showcasing their newest products and teaching you how to apply them in your plumbing system designs.

September 2025 Newsletter Education Announcements

Welcome back returning ASPE WCF members and greetings to new ASPE WCF members for the 2025-2026 Season. Lots of things to get us started for this season!

ASPE's September Book of the Month is *ASPE/ANSI 45-2025: Siphonic Roof Drainage* (eBook version)

- Through September 30, **2025**, you can purchase this eBook for **15% off** the regular member price. Just enter coupon code **fallcolors** when you check out. The discount is valid on the digital edition of this publication and the coupon code can only be used once. If you are purchasing multiple items the discount will be applied only to the assigned publication.

1) 2025 ASPE Tech Symposium

- a) **September 25-28** at Rosen Centre Hotel in Orlando, FL.
- b) Registration is still open! It is not too late!
- c) Cost varies based on selected package.
- d) Tons of opportunities for educational credits/CEU's.
- e) See ASPE Tech Symposium website for a full list.

2) 3-minute read on new memorandum:

ASPE Signs Renewed MoU with IAPMO, ASSE International, and ARCSA International - ASPE Pipeline

3) Updated ASPE Design Standard for Siphonic Roof Drainage Systems is now available!

- a) ASPE/ANSI 45-2025: Siphonic Roof Drainage
- b) May be purchased from the ASPE Bookstore for Member's \$30; Non-member's \$80.

4) AYP Region 3 - Success with Press HVAC Press Fittings

- a) Live Webinar - October 15 at 2 PM
- b) Learn about the unique design of HVAC press fittings, including seals, profiles, tools, and compliance requirements. The course also covers installation best practices, testing and validation processes, and engineering resources like CAD, BIM, and MasterSpec. It concludes with actionable takeaways to help engineers and contractors confidently apply press solutions in the field.
- c) 0.1 CEU
- d) Free for ASPE members!

5) AYP Region 5 - Project Management 201

- a) Live Webinar - November 12 at 1 PM
- b) This intermediate-level session builds on the fundamentals introduced in *Introduction to Project Management for Engineers*, shifting focus to the business side of project delivery. Attendees will explore how to respond to RFPs, develop competitive fees, budget project hours, and manage scope and services through construction administration. The presentation emphasizes the "business" of managing projects.
- c) 0.1 CEU
- d) Free for ASPE members!

ASPE Membership Value

When you join ASPE, you become part of a worldwide family of plumbing engineering and design professionals and gain immediate access to their combined technical knowledge and industry support. ASPE members are leaders in the plumbing engineering industry, and joining their ranks offers invaluable networking and career-advancement opportunities. Our members benefit from ASPE's international exposure, and our involvement in national and local legislative initiatives helps strongly convey the important role of plumbing engineers and designers in the construction industry.

In addition to sharing professional knowledge, ASPE members also like to have fun. Local ASPE Chapters and special-interest groups such as ASPE Young Professionals and Women of ASPE host social networking events throughout the year. With more than 6,300 ASPE members, a fellow professional is never far away.
