President's Message

Curtis Ray, Jr., CPD, FASPE

Next month, May 2026, we will be holding our elections for 2026-2028 Chapter Board of Directors. If anyone has an interest in running for any position, please let me know. The current slate of officers is as follows:

President - Curtis Ray, CPD, FASPE
Vice-President, Technical - Todd Rebhahn, CPD
Vice-President, Legislative - Peter Pastore
Vice-President, Membership - Brian Carrier
Vice-President, Education - Matthew Walker, PE
Treasurer - Richard Little
Secretary - Scott Whitney, CPD
Chapter Affiliate Liaison - Hernan Garcia
Newsletter Editor - Marcia Bartges, CPD
ASPE Young Professional Liaison (AYP) - Connor Lavoy
ASPE (WOA) Chapter Liaison - Gisun Sung
Social Media Manager - OPEN

Please consider running for any of the above positions. Also, just so the chapter knows, if I am reelected for the 2026-2028 term it will be my last term, so we have 2 years to look for a new chapter president.

CPD Credential Holders: This is a reminder that CPD credentials are valid for 24 months and must be recertified prior to expiration. The upcoming recertification deadline is April 30th. Recertification can be completed online through ASPE Education under My Dashboard → Certifications, or by visiting: education.aspe.org/CPDRecert. With deadlines approaching, we encourage you to begin early to allow time for CEU verification and avoid any delays. If you have already completed your recertification, we sincerely appreciate your diligence and continued commitment.

ASPE 2026 pins are still available, but you must come to the meeting to get yours.

As a reminder to please register for the dinner meetings so we get an accurate head count for the restaurant, and you're not charged extra at the door.

Looking forward to seeing you at the next dinner meeting.

A handwritten signature in black ink, appearing to read 'Curtis Ray', written in a cursive style.

Curtis Ray, CPD, FASPE

Region 3 Topgolf Challenge - Is West Coast Florida In?

Scott Whitney, CPD

Chapter Secretary

Our formal chapter year may be wrapping up in early June, but that does not mean we have to be done having fun.

Central Florida is hosting its 2nd Annual Region 3 Topgolf Tournament in June. Last year it was attended by Atlanta, Central FL and South FL with South FL taking the trophy. This year Central FL and South FL are already committed to playing June 24 & 25 respectively and I think West Coast Florida ought to be in the mix as well.

The tournament format is simple, each chapter can bring however many players and bays it wants, but the winner is determined by the chapter adding together the top five scores from one round of the Block Party game. TopGolf will keep track of us vs the other chapters. In other words, we do not need 25 people like Central FL or more like South FL to be competitive. We just need a small group that wants to play, have a good time, and represent WCF well. With this format we can play any of the other TopGolf games for fun, but those scores won't count.

At this point, I am looking to gauge interest in putting together a West Coast Florida group for Tuesday, June 23. This would be more of a casual end-of-year chapter extra than a formal meeting. Invites would extend beyond just chapter members like our Lexington Oak Golf Tournament, and the goal would be simple: have a fun night, get a little friendly Region 3 competition going, and take the Region 3 Trophy to the convention in the fall.

My hope would be start small this year and rent 2-3 bays, this would cover 10-18 participants, maybe have a sponsor for each bay. If the excitement for this event exceeds my expectation, then we can even investigate renting more bays along with a private room for a happy hour, dinner, networking and sponsored tabletop.

If you have interest in playing, sponsoring, or helping organize, please let me know. This feels like the kind of low-effort, high-fun event that could be a great addition this year and something even bigger for us next year.

V.P. Technical

Todd Rebhahn, CPD

APRIL'S TECHNICAL MEETING

Tuesday, April 14, 2026

**Location: Sheraton Tampa Brandon Hotel
10221 Princess Palm Avenue, Tampa, FL 33610**

EPOXY COATED CAST IRON SOIL PIPE

Sheraton Tampa Brandon Hotel
10221 Princess Palm Ave, Tampa, FL 33610

4:30-5:30pm Happy Hour & Tabletop Presentation
5:30-6:00pm Business Meeting
6:00-6:30 Dinner
6:30-7:30pm Technical Presentation

Register on our website:
<https://wcf-aspe.com/meetinginfo.php>

\$35.00 Pre-registration (on or before noon on Friday before our Tuesday technical session)

\$45.00 Late registration (after noon on the Friday before our Tuesday technical session or at the door)

Presenter: Dalton Usery – Technical Services Regional Manager McWane Plumbing Group

Dalton is the Southeast Regional Manager of Technical Services at McWane. A retired U.S. Air Force Staff Sergeant, he served six years on active duty as Program Manager for 5th Generation Fighter materials and structural inspection. Specializing in metallurgical sciences and general biology. Most recently, he led the Quality Department at Anaco-Husky, where he managed regulatory compliance and process control. Dalton is married with four children and will soon be based in Tampa, Florida.

Description:

Designers and Engineers will leave this presentation with an understanding of what is driving the need for epoxy coated CISP and a full understanding of the characteristics and applications.

Upcoming Technical Meetings:

- 05/12/26 Travis Crawford, COMAC Water Heaters
- 06/09/26 Charles Brown, CONCOA Precision Gas Controls

- Local chapter affiliation
- Monthly chapter meetings and technical seminar opportunities
- Networking opportunities with plumbing engineers worldwide
- Leadership opportunities (national and chapter boards of directors and committees)

More Reasons to Belong to ASPE...

- Professional isolation leads to stagnation
- Build a better résumé
- Be a leader
- Be a mentor
- Enhance your network and make new friends
- Take your profession and career seriously
- Broaden your knowledge
- Give back to your profession and the community
- Stay current with changing standards and technologies

We again appreciate all our West Coast Florida ASPE members for this new ASPE year. We will continue the new year strong and moving forward through the end of the 2026 West Coast ASPE year. At the end of March we have 86 active members.

The birthdays for April are as follows:

Pascal Pierre	04/07
Immanuel Jimenez	04/11
Michael Lynch	04/15
Rob Shorey, CPD, GPD	04/15
Stevie Billek	04/16
Jim Walsh	04/17
Sean Bryant, GPD, CPD	04/26
Donavin Roberts	04/29

The anniversaries for April are as follows:

Harry Portello, P.E.	25 Years
Scott Allred	3 Years
Carlos Martinez	2 Years

V.P. Education

Matthew Walker, P.E.

April 2026 Newsletter Education Announcements

- 1) NEW for our chapter...Does anyone have a school either elementary, middle, or high school that has an opportunity to visit to where one of us can teach/present more about plumbing engineering and plumbing design? Maybe the science classes need a guest speaker? Or maybe there's a career day in a classroom? The opportunities are endless! Please let me know directly so I can coordinate. This helps our chapter in more ways than you can think, especially on the national level!
- 2) ASPE Seeks Plumbing Design Experts to Help Develop PE Exam
 - a) As part of the ASPE initiative to include a Plumbing/Piping exam module within the NCEES Mechanical Engineering suite of Professional Engineer exams, ASPE is seeking subject area experts to join in the development of the plumbing/piping exam. Please contact David Dexter, PE, FASPE, at plbgegr@gmail.com if you would like to volunteer.
- 3) ASPE's April Book of the Month is *ARCSA/ASPE/ANSI 63-2020: Rainwater Catchment Systems (eBook version)*.
 - Through **April 30, 2026**, you can purchase this eBook for **25% off** the regular member price. Just enter coupon code **aprilshowers** when you check out. The discount is valid on the digital edition of this publication and the coupon code can only be used once. If you are purchasing multiple items the discount will be applied only to the assigned publication.
- 4) **2026 Alfred Steel Scholarship**
 - a) ASPE member: If you, your spouse, child, or grandchild would like financial assistance toward a degree in engineering, apply now for ASPE's 2026 Alfred Steele Scholarship! Up to \$5,000 in scholarship monies may be awarded to qualified applicants this year.
 - b) The scholarship is limited to ASPE members and their immediate family members (i.e., spouses, children, and grandchildren). Eligible candidates must have a GPA of 3.0 or higher and be in, or plan to attend, a college, university, or technical school on a full-time basis (minimum 12 credit hours), enrolled in an engineering program. Previous applicants are eligible to apply.
 - c) **Application deadline is April 30!** It is imperative that the Scholarship Selection Committee receives completed applications before the deadline so they can make a timely decision. The Scholarship Selection Committee shall make the final scholarship determination and awards amounts, and ASPE's Board of Directors reserves the right to decline to award any scholarships. Recipients will be announced in July 2026.
- 5) **Haws Master Class: Master ADA Compliance for Bottle Fillers & Drinking Fountains**
 - a) **FREE Live Webinar – April 8, Wednesday, 1-2 PM**
 - b) New legislation is being introduced in multiple states to include the addition of bottle fillers and the associated ADA requirements. It's important as a specifier to know these changes and how they will impact future legislation. This session will walk through the important dimensional requirements to consider when designing a building or installing/retrofitting all types of hydration equipment, as well as bottle filling station requirements and how to include them in your overall ADA-compliance plan.
 - c) 0.1 CEU
 - d) <https://register.gotowebinar.com/register/7683351423089337433?source=ASPE+eBlast>

V.P. Education

Matthew Walker, P.E.

6) Virtual MedGas 101

a) Live Webinar – April 29, Wednesday, 10 AM - 2 PM

- b) This session will walk through some of the essentials of a medical gas system. Look at basic codes, components, materials, qualifications and other items to lay the groundwork for a 6060 medical gas design class.
- c) 0.4 CEU's
- d) ASPE Members \$35; Non-members \$50

7) 2026 GPD Workshop & Exam

- a) In-person Classes, Thursday & Friday, May 28-29, 9-5 PM at ASPE HQ in Rosemont (Chicago), IL.
- b) The workshop was created for those who want to increase their skills in designing plumbing systems that conserve and protect water supplies and reduce energy consumption in the delivery and use of water. The workshop will cover:
 - Residential plumbing conservation measures
 - Efficient solar-heated water design and installation
 - Water-efficient technology measures
 - Commercial and domestic plumbing inspection reports
 - Calculations
 - Sustainable product selection
- c) CEU/PDH's are NOT awarded for the class; however, you will receive a Certificate of Participation for participating and if you pass the assessment at the end of the workshop you will also be awarded and granted the use of GPD designation.
 - Only people who have obtained their CPD or PE are eligible to attend the workshop.
- d) ASPE Members \$500; Non-members \$600

8) 2026 MedGas Workshop

- a) Self-paced online option is available through MedGasCards.com (partnered with ASPE).
 - It must be completed within 60 days of registration.
- b) June 11-14, Thursday to Sunday, 8 AM - 5 PM each day.
 - Live, in-person event in Rosemont (Chicago), IL (ASPE HQ).
 - 32-hour workshop is based on the parameters outlined in ASSE 6060: Medical Gas Systems Designer, a new professional qualification standard that sets forth the training requirements for designers who wish to earn the ASSE 6060 personnel certification. 1.2 CEU upon completion.
- c) ASPE Members \$2,000; Non-members \$2,350

9) MedGas Basics

- a) ASPE Education website, On-demand
 - Following the success of the in-person and online MedGas Workshop and continuing to fulfill the commitment to training the next generation of medical gas system designers, ASPE is pleased to announce the new MedGas Basics course. The course contains four (4) instructional videos that you can review at your leisure, and each offer 0.1 CEU upon completion.
- b) Bundle Price for ASPE Members \$150 or each individual class \$50.

10) 2026 ASPE Convention & Expo

- a) October 8-14 at the Oklahoma City Convention Center in Oklahoma City, OK.
- b) Registration and costs are TBD
- c) Opportunities for educational credits / CEU's...more TBD

V.P. Education

Matthew Walker, P.E.

- 11) As always you can find more ASPE educational information at <https://education.aspe.org/>
- Read, Learn, Earn
 - April 2026** is *Green Plumbing* (0.1 CEU)
 - March 2026 was *Irrigation Systems* (0.1 CEU)
 - On-demand webinar list is continuously updated with many options to choose!
- 12) 2026 CPDT Exam
- Fall 2026; Registration opens August 2026.
 - You must fill out eligibility form to receive a link to register for exam.
 - Remote Proctored Exam
 - 3.5 hours, 100-question multiple-choice answer
 - ASPE Members \$225; Non-members \$450
- 13) 2026 CPD Exam
- April 13-24, 2026**
 - Deadline for registration is April 1st!!**
 - You must fill out eligibility form to receive a link to register for exam.
 - Remote Proctored Exam
 - 3.5 hours, 100-question multiple-choice answer
 - APSE Members \$450; Non-members \$675
- 14) GPD Program (Exam)
- On-Demand course completion followed by examination; however, must be completed within 6 months of start date.
 - Open-note, 2 hours, 50-question multiple-choice answer
 - 75% is passing score.
 - 1.2 CEU credits
 - ASPE Members \$500; Non-members \$600
 - Note: Professional Engineers (PE) are eligible to take the GPD Program without having to take the CPD Exam as a prerequisite.

Reminders:

- If there are topics you would like to see or have presented at our chapter dinner meetings, please reach out to myself or Todd Rebhahn, CPD, our chapter VP Technical (vptechnical@wcf-aspe.com).
- 2026-2028 WCF Board of Directors Elections** will be held during our **May 2026 Dinner** meeting. Please attend this meeting if able. If you are interested in running for next years board, please reach out to our chapter President, Curtis Ray (president@wcf-aspe.com).

For those of you that are taking the CPD Exam this month, I wish you the best of luck and know you will all do well!!

Unfortunately, for personal reasons I may not be able to attend the ASPE WCF Golf Outing this coming Friday, April 10th, nor this month's dinner meeting next week on Tuesday night, April 14th. It will be a gametime decision for me. If I do not attend, I hope you all have a blast and will see you at the next one.

Please reach out to me for any additional questions regarding ASPE Education.

Cheers,

Matthew Walker, PE

ASPE Membership Value

When you join ASPE, you become part of a worldwide family of plumbing engineering and design professionals and gain immediate access to their combined technical knowledge and industry support. ASPE members are leaders in the plumbing engineering industry, and joining their ranks offers invaluable networking and career-advancement opportunities. Our members benefit from ASPE’s international exposure, and our involvement in national and local legislative initiatives helps strongly convey the important role of plumbing engineers and designers in the construction industry.

In addition to sharing professional knowledge, ASPE members also like to have fun. Local ASPE Chapters and special-interest groups such as ASPE Young Professionals and Women of ASPE host social networking events throughout the year. With more than 6,300 ASPE members, a fellow professional is never far away.
